Invoices will be sent out at the end of each term and **are payable in full to secure your child's place in class**. To support families who have been affected financially by covid we can offer a payment plan where the upfront term cost is a barrier to participation. Please contact the office if you would like to discuss a payment plan to suit your family.

Invoices include the following components:

- 1) **Term Tuition Fee** – This includes all costs associated with providing a Gymnastics program including the membership fee and insurances which are usually charged as a separate additional annual fee. This fee is based on the number of weeks in the term and **must be paid prior to your child starting their first class**. Term fees are non-refundable.

In 2022 the Gymnastics Australia and Gymnastics Victoria membership fee which includes personal injury insurance will be built into your term fee. We have made this change to assist families with spreading the cost of classes throughout the year. FBGC will absorb the cost of fees for members who do not stay a full year so that they only pay membership for the terms they are enrolled.

Gymnastic Victoria Membership Fee	Past Fee	2022
Kinder Gymnastics	\$40.00	\$0
Launch Pad Gymnastics	\$55.00	\$0
Squad Gymnastics	\$100.00	\$0

- 2) **Event Fees** - Our In-house Club Events such as the Launchpad Spectacular in Term 3 and End of Year Display Day in Term 4 will be included in your invoice for those terms. Please note these small charges are compulsory irrespective of attendance and allow us to be able to offer these fabulous events at minimal cost for all members.

**New Members Guarantee:** Once payment is received; your child is ready to attend their first class. All new members then have a **2-week money-back guarantee**. If you decide that Gymnastics is not for you just let us know before your child's 3<sup>rd</sup> class and we will gladly refund the full amount.

**Existing Members:** Existing members are automatically re-enrolled from term to term. This is our policy to make re-enrolment easy for our members and to ensure current members have priority enrolment.

**Discounts:** For children who love their Gymnastics we offer a 20% discount on additional classes.

## IMPORTANT THINGS TO REMEMBER:

Fishermen's Bend Gymnastic Club remains a non-profit community sporting club and our parent-based Committee continues to do its best to keep the tuition fees as low as possible. If you have any queries, do not hesitate to contact us.

### Fee Regulation:

Invoices will be sent to families via email. You can also access your invoice on the parent portal. To secure your place, Term Fees must be paid by the due date on the invoice. **If fees are not paid by the due date the enrolment will be cancelled** (unless you have contacted us to discuss). FBGC reserves the right to automatically offer the position to another child on the waiting list.

**Cancelling your membership:** Your enrolment carries over from term to term. If you do not wish to re-enrol for the following Term you must notify the club using the parent portal or via email before the commencement of the term.

**Make up classes:** Our classes are very popular, and many are fully subscribed. In order to maintain the quality of our program and your child's experience at Fishermen's Bend Gymnastics Club, we have a strict Make Up policy. Our Make Up policy has been adjusted for 2022 due to Covid-19. [Please read further for more details.](#)

If your child is absent for 4 weeks or more due to medical reasons Fishermen Bend will arrange credit for your absences. A medical certificate will be requested.

### Hardship

- If you are experiencing any hardship in paying our fees, please contact the office to discuss some options that may be of help to your situation.
- We are very lucky to have support from the South Melbourne Community Chest which allows us to provide an Outreach Program to assist families experiencing hardship. Please speak with someone from reception to discuss the application process.
